

Declaration of Dependance Upon God And His Holy Bible

We hold these truths to be self-evident, that all men are created equal and endowed by their Creator with certain unalienable rights. Since our Creator gave us these rights, we declare that no government has the right to take them away. Among these rights is the right to exercise our Christian beliefs as put forth in God's Holy Bible.

We therefore declare that God grants life at conception and no one has the right to take that life unless it is a direct threat to the life of the mother.

Marriage was instituted by God between one man and one woman. The Lord gave only this family unit the responsibility to have children and raise them in the fear of the Lord.

We therefore respectfully reserve the right to refuse any mandate by the government that forces us to fund or support abortion. We also oppose same sex-marriage, polygamy, bestiality, and all other forms of sexual perversion prohibited by Holy Scripture.

We proclaim that Jesus has provided the cure for all sin and therefore reach out to the sinner in love, but do not embrace the sin, knowing it's destructive nature.

Therefore, we, the undersigned-not only as Christians but also believing we have the constitutional right as Americans to follow these time honored Christian benefits-commit to conducting our churches, ministries, businesses, and personal lives in accordance with our Christian faith and choose to obey God rather than man.
