**"COME, LET US SING FOR JOY TO THE LORD; LET US SHOUT
ALoud TO THE ROCK OF OUR SALVATION." PSALM 95:1**

San Diego born singer and songwriter making a creative living by sharing her testimony of faith through words and music. Being a pastors child, it was only natural that her musical journey would begin in the church, where she sang her first solo at the tender age of three. By high school she was in the process of signing with a major record label, but moved on from the deal to protect her artistic integrity, a move that proved to be a wise choice. She got another chance to shine as a contestant on Season 3 of American Idol, making it all the way to the Hollywood group rounds. Draeh's musical Journey is vast, inspirational, emotional, and soul-stirring. The Lord has incorporated her love for music into her ministry. She stays busy as a proud mother of two, a recent Bible College graduate with the intent of pursuing ministry full time. Draeh Jirnae provides her testimony and inspiration to companies, schools, churches and so much more. Still, her desire is simple, to teach the Word of God through music and her real life experiences.
