**PASTOR VILMA EVERETTE**

Pastor Vilma Everette & her husband James were leaders over high school and college age groups and have a passion for sharing the Word of God with people. They are now full-time pastors of Father's House Church International. Vilma has her BA in Behavioral Science and a Masters in Family Counseling. She worked as a high school counselor until she retired. Her passion is helping children and women grow into the person God designed them to be. Vilma is an advocate for speaking life into the people she encounters. At all times, she faithfully serves to encourage the Body of Christ to walk in the fullness of Christ, and to allow His Holy Word to transform them from the inside out. Pastor Vilma moves powerfully in the Gifts of the Spirit to motivate, encourage, affect, and change lives for the Glory of God.

**GEORGIA HAWKINS**

Georgia has brought the power of God's Word across denominational barriers to strengthen, encourage, and equip God's people to release the gifts within the Body of Christ. She learned the value of revealing her humanity, not just her spirituality. Her sense of humor while ministering helps others see God as approachable and touchable. She was called by the Lord to a wilderness experience lasting seven years and emerged with a new depth and amazing fluency in the prophetic. Georgia strongly teaches about and demonstrates the gift of tongues - one of the most powerful tools in our toolbox and weapons in our arsenal. Sometimes the Holy Spirit identifies gifts and callings in people through words of knowledge, giving them new hope and direction. Most of all, through the prophetic gift, God shows people how unique and special each one is in His eyes. The prophetic gift should always bring the love of the Father to ignite hearts with an increased desire to know Him more intimately and personally, and to inspire confidence to speak to Him face-to-face.
